## Ebook Details:

*Review: At last, a Bourdieu book that is clear, to the point and does not give me headaches. I enjoyed it a bit, too, which is a plus because what I am doing is not all that enjoyable. Nice translation. I mean Nice did the translating. Good job of putting out a consistent narrative. Bourdieu buries jokes in his writing, and thats a relief because he sometimes...*

*Description: A synthesis of forty years work by Frances leading sociologist, this book pushes the critique of scholarly reason to a new level. It is a brilliant example of Bourdieus unique ability to link sociological theory, historical information, and philosophical thought. Pascalian Meditations makes explicit the presuppositions of a state of scholasticism,...*
